Donor Report

Festival of Trees & Traditions

The fifth annual Festival of Trees was a huge success. The community support for our Festival contributed to its growth and success, which was enjoyed by many area families as a kick-off to the winter holidays. We are so fortunate to have friends who take an active interest in ensuring that professional counseling, support groups and financial aid are available to cancer patients and their families in New York and Western Connecticut through Ann's Place, now in our 15th year of operation.
